Back to school... at last

How do you feel about physically coming back to school?

Finally we are back!!! Everybody feels excited to be back at school including teachers and students. "I think going back to school is so interesting because I can see my lovely students and we can enjoy our learning periods together," Mrs. exclaimed. Salama agreed saying, " I prefer being in school because I find it easier to learn." This week 550 out of 624 students have returned to school.

We hope to see even more next week!

I speak both Arabic and English and a little Spanish.

What is your hobby?

I enjoy reading very much. I always keep a book by my bed.

We heard you are a very good cook. What is the best food you can cook?

Mansaf

If you were not a principal, what would you be and why?

I would be an English teacher because I used to role play being a teacher when I was young.

Expo 2021

If you haven't visited Expo yet, don't delay. Expo is not a place to visit once. You need several visits to see all the wonders there. Every week, you will find here three of the must-see places in expo that will blow your mind.

1. **Japan Pavilion** with its mesmerizing origami-inspired architecture.
2. **UAE pavilion** with its beautiful animation representing UAE culture.
3. **Saudi Arabia pavilion** which is dazzling on the outside and inside.

INPSS GOT TALENT IS COMING TO ABU DHABI !

Soon the school will host a competition to show the creative talents of students at the school. Have you entered the talent show yet? I wonder what talents we will see. In next week's Primary Post there will be an exciting interview with Mr Curtis. He is a member of the talent discovery team as well as being a final judge.

So far there have been 58 videos entered.
